

**EISENBERG FAMILY
DEPRESSION CENTER**
UNIVERSITY OF MICHIGAN

2022 YEAR IN REVIEW

Our People

207

members committed
to exploring novel
ideas about depression
and bipolar disorder

23

dedicated faculty
and staff to support
the EFDC mission

Our members come from **40** different departments
and **8** different schools, colleges and units
across the University of Michigan.

Funding Bold New Ideas

EFDC granted

\$415K

in direct funding to support
research and accelerate
innovation

Our Research Innovation Core
helped members secure

\$3.89

MILLION

in external grant funding
to help shift the paradigm of
mental health

Expanding Our Impact

Our Peer-to-Peer Depression Awareness Program is now helping
50 schools in **4** states address the youth mental health crisis.

The Depression on College Campuses Conference is now entering its
third decade of showcasing new research to a nationwide audience.

Our student-led Maxwell Gray Film Fellowship created **4** short films
telling true stories of struggle, triumph, and finding community.

Moving Research Forward

Our Research Incubator Program welcomed its inaugural cohort of
4 early-career investigators exploring novel research ideas.

We hosted the first ever Psych Tank Live Pitch Event which funded
6 innovative, interdisciplinary research projects.

Our Mobile Technologies Core is supporting **3** networking opportunities
for researchers looking to use mobile technology to discover new ways
to address the mental health crisis.
